UNIVERSITY OF IDEAS

WE WOULD LIKE TO INVITE YOU

With the “University of Ideas”, the Intelligence for Innovation Network (IN4IN), together with the African Centre for Career Enhancement & Skill Support (ACCESS), is looking for innovative ideas, large and small, that can stimulate the development of the topics of tools/formats in education, university-business linkages, and career enhancement in the context of improving employability through universities in the Global South.

THIS YEAR'S TOPIC SERVICE-LEARNING

HAVE A FIRST LOOK | YOU CAN FIND MORE DETAILED INFORMATION ON [SERVICE LEARNING](#) AT OUR HOMEPAGE

How can Service Learning be integrated or utilized at universities to enhance graduate employability?
